11 BLUEHIPPO FUNDING, LLC,

12 Defendant.

13 /

14 Now before the Court is the suggestion of bankruptcy filed by Defendant BlueHippo
15 Funding, LLC and BlueHippo Capital, LLC (“BlueHippo Defendants”). By operation of 11
U.S.C. § 362(a), the filing of the petition for bankruptcy operates as a stay as to all actions
16 against the BlueHippo Defendants.

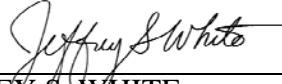

17 The Court also holds that the claims now pending against defendant Gateway, Inc. shall,
18 in the interest of efficient management of this matter, be stayed pending resolution of the related
19 claims against the BlueHippo Defendants.

20 By virtue of the automatic stay, the Clerk of the Court is directed administratively to
21 close the case for statistical purposes. The parties shall notify the Court within **ten (10) days** of
22 the lifting of the bankruptcy stay, and this matter shall thereafter be reopened.
